2010 Coleta Time Trial
Illinois State Time Trial Championship

June 5

NO RAIN, just some drizzle for first 30 minutes. This hilly course on country roads started heading west from Coleta, half way around you reach the top of the world and a few seconds later you're back down and continue finishing heading south into Coleta. After the race the Fire Dept had a good barbecue for the riders and workers while awards were handed out.

BIG THANKS to the Town of Coleta, Coleta Fire Dept, Bryce and Tempo Velo Club for holding a great event.

I again want to thank everyone who help out on Saturday. With out your help and support, this event would not have happen.

Our club was amazing, and a lot of racers, have contacted me saying that we did an amazing job. Number one comment, was the safety of the course. How we had 4-5 volunteers in each corner. Again, everyone did a great job, and I hope you all agree and want to do this again in 2011.

I would like some feedback. If you think we can improve, or need to make an adjustment, please let me know. Your opinion does matter.

Thanks again.
